I encourage you to make a response to Louis Kartsonis' 5-page article; the address for SAN DIEGO Magazine appears on p. 7 of my letter to Craig Zirbel.

Just wanted to compliment all your efforts in trying to break this very difficult case over the past many years. Your work is noticed and appreciated by many across the country who are not "celebrity" researchcers.

Too bad you and Oliver Stone didn't hit it off; your appearance in the Jim Garrsion tapes looks good, though.

Also, if you have a business/home address for Carl Oglesby, drop me a line and let me know.

Thanx, dude! -
